Using Lynda.com

Create your new Lynda.com profile by entering your email address and creating a password. My Profile will help you track your progress in a chosen course, create playlists, and receive recommended Learning Paths based on your interests.

Sign up for news and email options to receive course recommendations and tips to keep your learning on track, and alerts when new courses and other learning content is published.
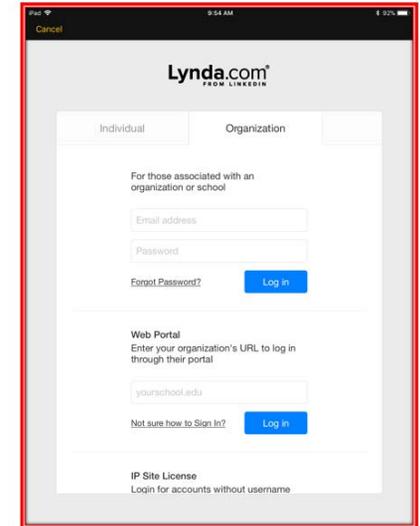

TAKE LYNDA ON THE GO

1. Install the Lynda app from the App Store/Google Play Store.

2. Select "Already a member?" Click the "Organization" tab.

3. Scroll down to the web portal login, and enter **georginalibrary.ca** and login.

4. Enter your library card number and library PIN.

About the Courses

Lynda.com offers over 6,000 courses broken down into "bite-sized" pieces to allow you to learn at your own pace and fit learning into your busy schedule! So while a complete course might be 4 hours, it is made up of individual videos lasting 1 to 10 minutes.

Choose from in-depth software training, learn about up-and-coming technology trends, techniques for creative pros, develop critical business skills, and watch inspirational documentaries.

Finding Courses

You can locate courses by browsing the LIBRARY for courses or by using the SEARCH box.
