

## Meet Libby.

A fresh and easy way to borrow and read from Overdrive

Libby is a free app created by OverDrive. You can use Libby to access ebooks and e-audiobooks. Library members can check out and read or listen to these titles on their mobile devices through the Libby app.

Libby is not replacing the existing OverDrive app. If you're happy with the current app, feel free to keep using it. If you're new to digital materials or want a new reading experience, try Libby. You can use both Libby and the existing OverDrive app. OverDrive recommends selecting one or the other for the best user experience. The apps are not fully synced to each other yet.

### What you will need:

- Georgina Public Library card
- Apple, Android and Windows mobile device with internet access

## Follow these steps for free ebooks & audiobooks:

### Download the Libby app.

Download the free Libby app by going to the app store on your mobile device (i.e., Apple's App Store or Google's Play Store) and searching for "Libby, by Overdrive".

### Add Georgina Public Library's OverDrive collections to your app.

- Open the app and find Georgina Public Library. You can search by library name, city, or postal code.

### Add your library card

- Select "Add your card."
- Select 'Georgina Public Library' from the dropdown menu and enter your 14 digit library card number (no spaces).

### Discover ebooks and audiobooks.

- Browse new titles featured on the home page.
- Scroll down on the page to browse different collections/genres.
- Search for a specific title or author using the search box at the top of the screen.

### Narrow your results.

- You can narrow your results by clicking the plus (+) button to bring up additional search options (including limiting to only include 'Available Titles').

### Borrow the book.

- Once you have found a book, click the "Borrow" button.

### Read/listen to a book.

- Select 'Go To Shelf', and then select 'Open Book'.
- For ebooks, turn the pages by tapping or swiping to the left or right. Tap the centre of the page to bring up the table of contents, bookmarking, and other features such as font size.
- For e-audiobooks, swipe right or left to move forward/backward by 15 seconds. Tap the centre of the page to access the table of contents, bookmarking and other features such as a sleep timer or adjusting playback speed.

### Return the book.

- Ebook and e-audiobook loans expire automatically, but you can return them before the due date by going to your 'Shelf' and clicking on the book cover, then clicking 'Return Title to Library'.

## Frequently Asked Questions
