

Georgina Public Library – OverDrive User Guide for Windows 10 Devices

Download OverDrive eBooks and Audiobooks to Windows 10 devices using the OverDrive app.

To transfer the eBooks to an eReader (e.g. Kobo), use the **Georgina Public Library - User Guide for eBooks on Kobo Aura, Glo, Mini or Touch**.

Download and install the OverDrive App

The **Windows 8 & 10** OverDrive app is available from the Windows Store or through a link from the OverDrive website app.overdrive.com (scroll to the bottom of the page).

Create an OverDrive Account

Select **Sign Up** to create an OverDrive account. An OverDrive account can be created using your email address and a password, your library card or your Facebook account. The email address and password method is recommended.

Choose Georgina Public Library as your Library

1. The app should open in the Bookshelf section. Select **Add a Library**. Otherwise, open the app's menu ☰ in the upper left corner and select **Add a library**.
2. In the **Add a library** screen, search for **Georgina Public Library**. Click on "Georgina Public Library" to save it.

Find and Download eBooks and Audiobooks

1. On Georgina Public Library's OverDrive website, click on **Search** 🔍 to search by title or author or on **Collections** to browse.
2. In OverDrive, many books are available both as eBooks and audiobooks. Look for the eBook or Audiobook indicators to choose your format.
Two rectangular buttons: one with a book icon and the word "EBOOK", and another with a speaker icon and the word "AUDIOBOOK".
3. If the word **Available** appears in the banner above the book cover, the book can be checked out right now. **Wait List** indicates that all copies are currently checked out.
4. Click on the cover to find out more about the book. Click on **Borrow** to check out the book.

5. If there is a **Place a Hold** button instead of Borrow, select it to be added to the waiting list.
6. Enter your library card number and PIN (last four digits of your phone number) to sign in.
7. Tap 📖 to go to your **Loans** page. Select the **Download** (EPUB eBook) button next to the book cover.
8. Click the **Go to bookshelf** button. The eBook or Audiobook will be available in the Bookshelf for the duration of the borrowing period. Tap on the cover of the book to open it.

Renewing eBooks and Audiobooks

A renewal request can be placed 3 days before the borrowing period is over.

1. Open the app and go to GPL's OverDrive website. Click on the Loans icon 📖 and sign into your account.
2. Click on the **Request again** button located below the cover image of the book to be renewed. Confirm your email address.
3. When the current borrowing period ends, the book will be checked out to you again. If all copies are already checked out, a hold will be placed.
4. After receiving the email notifying you that the item is available, open the app and return to the **Loans** section of your OverDrive account. Click on the **Download** button to download the item again.

Returning eBooks and Audiobooks

eBook and Audiobooks automatically expire at the end of the lending period. Returning early is optional.

1. In the Bookshelf section of the OverDrive app, right click on the book cover.
2. In the blue bar that appears at the bottom of the screen, click on **Delete/Return**. Select **Delete and Return** to remove the book from your device and your OverDrive account.

PDF eBooks are not supported by the OverDrive app.
